PURCHASE / ALLOCATION OF COUNTY EQUIPMENT (VEHICLES)

Commissioner Smith wanted some clarification regarding the agreement between the Sheriff's Department and Commissioner Precincts 3 and 4 when purchasing vehicles. Sheriff Mayo detailed the agreement stating that the Sheriff's Department purchases 2 (two) pickups each year and the Commissioner in Precinct 3 and 4 drive, maintain and return to the Sheriff's Department after one year. They are then put into service with fewer miles and have a greater resale value after they are driven by the Sheriff's Department until being sold.

After hearing from Sheriff Mayo, Commissioner Smith stated that he does not want to participate in the current agreement.

Commissioner Smith made the statement that he was using his personal vehicle a lot and would not put many miles on a County vehicle. Judge Davenport polled each Commissioner about the number of miles they have in their respective precincts. Each one responded with at least a 100+ miles for their precincts. Commissioner Cozart reminded Commissioner Smith that is a lot of ground to cover in a personal vehicle not to mention when you must travel out of town to get parts for precinct equipment.

John Villalba, Jack County AgriLife Extension Agent, spoke to Commissioner Smith with regards to a County vehicle. County Agent Villalba stated he must use his personal vehicle for all County travel and would be glad to have access to a County vehicle if Commissioner Smith had an extra vehicle available.
