TERMS AND CONDITIONS**

1. Bids must give full company name and address of the bidder. Failure to manually sign a bid will disqualify the bid.
2. All bidders must complete the "Conflict of Interest Questionnaire". Chapter 176 of the Texas Local Government Code requires that any vendor or person conducting business or wishing to conduct business with a county complete the questionnaire. It must be filed with the Jack County Clerk. It is a Class C misdemeanor offense if a person violates Section 176.006, Local Government Code. Any questions can be directed to the Texas Ethics Commission in Austin.
3. It is understood that Jack County, Texas reserves the right to accept or reject any and/or all bids for any or all products and/or services covered in an Invitation for Bid and to waive informalities or defects in submittals or to accept such submittals as it shall deem to be in the best interest of Jack County.
4. All Invitation for Bids shall be submitted in hard copy paper form and shall be submitted in a sealed envelope, plainly marked on the outside with the bid and name. A hard copy paper form submittal shall be manually signed in ink by a person having the authority to bind the firm in a contract. Submittals shall be mailed or hand-delivered to the Jack County Auditor's Office.
5. Sealed bids will be opened on the date outlined in the Notice to Bidder and/or the Legal Notice.
6. Any explanation, clarification, or interpretation desired by a bidder regarding any part of the bid must be requested in writing from the Auditor's Office not less than five (5) business days before bid closing. Interpretations, corrections, or changes to the bid made in any other manner are not binding upon the County, and bidders shall not rely upon such interpretations, corrections, or changes. Oral explanations or instructions given before the award of the contract are not binding. Request for explanations or clarifications may be e-mailed to Lperry@jackcounty.org or faxed to Jack County at 940.567.5978. The fax must identify the bidder's company name, point of contact, and bid number. Any written information given to one bidder concerning a bid will be furnished as an addendum to all bidders who have been issued a bid.
7. The requirement to furnish a Bid Security Bond and/or Performance Bond, when necessary, will be stated elsewhere in the Bid Specifications.
8. If the ownership of your firm should change during the term of this contract, Jack County must be notified (*Novation*) in writing within ten (10) days and a new declaration of relationships submitted immediately to the Jack County Auditor's Office. Failure by the vendor to provide written notification of change of ownership may result in the cancellation of the contract.
9. Jack County is exempt from State Sales Tax and Federal Excise Tax; therefore, the prices submitted shall not include taxes.
10. All delivery and freight charges, please include quotes with F.O.B., are to be included as part of the bid price. All components required to render the item complete, installed, and operational shall be included in the total bid price. Jack County will pay no additional freight/delivery/installation/set up fees.
11. The title and risk of loss of the goods shall not pass to the buyer until the buyer takes possession of the goods at the point(s) of delivery.

12. Escalation and De-escalation: It is agreed the unit price bid is based, in part, on prices charged or quoted at the time of this bid by a product supplier to the vendor. The unit price bid may be increased or decreased when a product supplier increases or decreases their price to the vendor; however, the increase or decrease in the unit price shall be limited to the amount of the increase or decrease in price a product supplier charges the vendor. Any change in the unit price bid shall be accompanied by supporting documents from the vendor's product supplier. The vendor shall provide notice to the county auditor at least two (2) days in advance of any increase in the unit price bid. The two- (2) day period shall begin upon receipt of the notice by the county auditor. Jack County reserves the right to cease purchase of the product, purchase from the secondary bidder, re-bid, or continue purchasing from the primary vendor if the unit price bid increases.
13. If a delay is foreseen, the contractor shall give written notice to the county auditor. Jack County has the right to extend the delivery date if reasons appear valid. The contractor must keep the county advised at all times of the status of the order. Default in promised delivery (without accepted reasons) or failure to meet specifications, authorizes the county to purchase supplies elsewhere and charge full increase in cost and handling to defaulting contractor.
14. All items proposed shall be new, in a first-class condition, including containers suitable for shipment and storage, unless otherwise indicated in bid. Verbal agreements to the contrary will not be recognized. All materials and services shall be subject to Purchaser's approval. Unsatisfactory material will be returned at Seller's expense.
15. Specifications may reference name brands, make, and/or model numbers. Any reference made to model/make and /or manufacturer used in specifications is for descriptive purposes only. Products/materials of like quality will be considered. Jack County shall act as sole judge in determining the equality and acceptability of products offered.
16. The apparent silence of specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of specifications shall be based on this statement. The items furnished under this contract shall be new, unused of the latest product in production to the commercial trade and shall be of the highest quality as to materials used and workmanship. Manufacturer furnishing these items shall be experienced in the design and construction of such items and shall be an established supplier of the item bid.
17. Bidders are responsible for including all pertinent product data in the returned bid package. Literature, brochures, datasheets, specification information, completed forms requested as part of the bid package, and any other facts which may affect the evaluation and subsequent contract award should be included. Materials such as legal documents and contractual agreements, which the bidder wishes to include as a condition of the bid, must also be in the returned bid package. Failure to include all necessary and proper supplemental materials may be cause to reject the entire Bid.
18. The bid will be awarded to the lowest and best bid and in the best interest of Jack County. Contracts may be awarded to more than one bidder if it is in the best interest of Jack County.
19. All bidders will comply with all Federal, State, and local laws relative to conducting business in Jack County including but not limited to licensing, labor, and health laws. The laws of the State of Texas will govern as to the interpretation, validity, and effect of this bid, its award, and any contract entered into.
20. The successful bidder agrees, by entering into this contract, to defend, indemnify and hold Jack County harmless from all courses of action of claims of damages arising out of or related to bidder's performance under this contract.

21. Upon signing this bid document, a bidder offering to sell supplies, materials, services, or equipment to Jack County certifies that the bidder has not violated the antitrust laws of this state codified in Texas Business and Commerce Code §15.01, et seq., as amended, or the federal antitrust laws, and has not communicated directly or indirectly the bid made to any competitor or any other person engaged in such line of business. Any or all bids may be rejected if the County believes that collusion exists among the bidders. Bids in which the prices are unbalanced may be rejected. If multiple bids are submitted by a bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that bidder will be withdrawn; however, nothing herein prohibits a vendor from submitting multiple bids for different products or services.
22. Acceptance of and final payment for the item will be contingent upon the satisfactory performance of the product received by Jack County.
23. Successful Bidder shall submit separate invoices, in duplicate, on each purchase or purchase order (if any). Invoices shall be itemized and transportation charges, if any, shall be listed separately. Mail to Jack County, Accounts Payable, 100 N. Main St., Ste. 202; Jacksboro, Texas 76458. Payments shall not be due until the above instruments are submitted after delivery.
24. It is expressly understood and agreed that in case Jack County should need any item(s) not available within the time frame requested from the successful vendor during the term of this contract, Jack County reserves the right to purchase these items from other than the successful vendor. This shall not violate any terms or conditions of said contract. Further, Jack County reserves the right to seek another vendor if, at any time, vendor's prices do not conform to public pricing.
25. The price to be paid by the Buyer shall be that contained in Seller's bid which Seller warrants to be no higher than the Seller's current prices on orders by others for products of the same kind and specification covered by this agreement for similar quantities under similar or like conditions and methods of purchase. In the event Seller breaches this warranty, the prices of the items shall be reduced to the Seller's current prices on an order by others, or the alternative, Buyer may cancel this contract without liability to Seller for breach or Seller's actual expense.
26. Seller shall not limit or exclude any implied warranties and any attempt to do so shall render this contract voidable at the option of the Buyer. Seller warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the bid invitation, and to the sample(s) furnished by Seller if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.
27. Seller warrants that the product sold to Buyer shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970. In the event the product does not conform to OSHA standards, the buyer may return the product for correction or replacement at the Sellers' expense. In the event Seller fails to make the appropriate correction within a reasonable time, correction made by the Buyer will be at Seller's expense.
28. Bidder and bidder's insurance carrier waive all rights whatsoever concerning subrogation against Jack County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.
29. No officer or employee of the County shall have a financial interest, direct or indirect, in any contract with the County, or shall be financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies or service, except on behalf of the County as an officer or employee. Any willful violation of this section shall constitute malfeasance in office and any officer or employee guilty thereof shall be subject to removal from his office or position. Any violation of this section, with the knowledge,

expressively implied, of the person or corporation contracting with the County shall render the contract voidable by the Commissioners' Court.

30. Any interpretation, corrections, or changes to these specifications will be made by addenda. The sole issuing authority of addenda shall be vested in the Jack County Auditor, authorized to do so by the Commissioners Court. Addenda will be mailed to all who are known to have received a copy of the specifications. Bidders shall acknowledge receipt of all addenda.

JACK COUNTY, TEXAS

POLICY OF COMPLIANCE SECTION 2252.908 TEXAS GOVERNMENT CODE Approved by Commissioners' Court August 22, 2016

BACKGROUND

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioners' Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or not-for-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The County is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. A business entity will generate Form 1295 online. Jack County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

COMPLIANCE

Jack County Commissioners' Court will not consider for action any contract or bid with a business entity unless it is accompanied by a completed, signed and notarized Form 1295.

No later than 30 days after Commissioners' Court approves a contract or awards a bid with a business entity, the County Auditor will file acknowledgement of receipt of the Form 1295 with the Ethics Commission.
