

COUNTY OF JACK

STATE OF TEXAS

RESOLUTION AND REQUEST FOR ASSISTANCE FROM THE TRINITY HABITAT FOR HUMANITY

Whereas, Jack County and the City of Jacksboro experienced an EF 3 tornado on March 21, 2022,

Whereas, we sustained significant damage to over eighty homes in Jack County and the City of Jacksboro.

Furthermore, we were blessed that our community did not suffer any casualties or significant injuries from this storm.

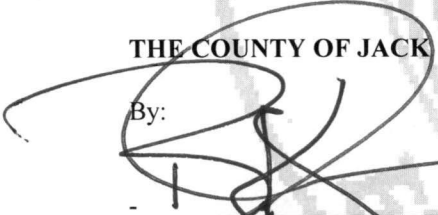

However, while we did not suffer any loss of life, many of our residents continue to suffer from the loss of their homes and other property. Our County and City are resilient and continue to help each other recover, but like other small communities, we do have limited resources.

Let it be known, that we are in the early stages of establishing a Long-Term Recovery Group, we recognize that recovery will be a long and slow process. On behalf of the County of Jack, we would like to respectfully request assistance from the Trinity Habitat for Humanity for any help that your organization could provide. We realize our community is outside of your normal area of responsibility, we also recognize that your organization has a long and distinguished record of assisting communities in need. This Commissioner's Court looks forward to the opportunity to discuss this matter in greater detail and to thank you in advance for your time and consideration.

PASSED, APPROVED, AND ADOPTED on the 27th day of June 2022.
