Re: Certification of Final Commercial Operation Date attained – Pinnington Solar project

Dear County Judge:

Pinnington Solar LLC f/k/a Hecate Energy Longhorn Solar LLC hereby notices Jack County that the Pinnington Solar project has reached full ERCOT Commercial Operations as of April 22, 2026.

The project successfully reached this milestone and has attained the installed Nameplate Capacity of 610 MW (megawatts) as defined within the Tax Abatement Agreement.

Per Section 2 (2.2) of the Agreement, all facilities required for Commercial operations have been constructed and there remain no ancillary facilities still under construction.

For any additional clarification please reach out to me at Lyman.Wilkes@repsol.com or Chad Campbell at Chad.Campbell@repsol.com.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Lyman Wilkes", written over a horizontal line.

Lyman Wilkes
Head of Asset Management - ERCOT
